One of the many problems we are facing today is not a shortage of churches, but a shortage of churches that teach raw truth, walk in power and truly connects people to heaven. The prophet Amos warned us these days were coming.

“The time is surely coming,” says the Sovereign Lord, “when I will send a famine on the land- not a famine of bread or water but of hearing the words of the Lord. People will stagger from sea to sea and wander from border to border searching for the word of the Lord, but they will not find it. Beautiful girls and strong young men will grow faint in that day, thirsting for the Lord’s word.”

Amos 8:11-13 NLT
